## Full Training Program

In order to maintain the high level of dance education and to further the individual achievement of all our students, Petrov Ballet School will continue to offer a Full Training Program for the 2017–2018 fall semester. The Full Training Program aims to meet the needs of serious, dedicated ballet students, and will consist of a mandatory selection of classes depending on the student's level and age.

- No audition will be required for the 2017–2018 Training Program.
- Participants must be a minimum of 7 yrs old and have 1 year of prior experience.
